## Looking Backward In State Journal Society Column

TWENTY YEARS AGO TODAY

Announcement has been made by Dr. Sidney Lee, of Toronto, Canada, of the marriage of his daughter, Rachel, to Dr. Stanley G. Reed, of Omaha, formerly of Topeka.

The news carried with it a great deal of interest, as Doctor Reed is a member of a prominent Topeka family and was well liked socially when he made his home here. He is the son of Mr. and Mrs. Herbert Stanley Reed, and a brother of Miss Gertrude Reed, whose wedding will be an event of interest for next Saturday. He is a graduate of the Topeka high school, was a student in the Kansas State university, and his degree from Northwestern university, where he took his medical course. He is a Sigma Chi fraternity man.

After finishing the university, he took special work with the famous Dr. John B. Murphy of Mercy hospital. He went west and practiced medicine for a year and is now engaged in the practice of his profession in Omaha, Neb., where he and his bride will make their home.

The bride is said to be a charming young woman, who has traveled a great deal, and lived abroad for some years. She was educated in Geneva, Switzerland.

Doctor and Mrs. Reed will come to Topeka to attend the marriage of Miss Gertrude Reed and Dr. Henry Miller, which will take place at the home of Mrs. D. J. Hathaway.

Arrangements for the war dance are now completed, and unless it rains, the party will be given tonight at the J. R. Burrow home. In case of rain, the party will be postponed until Monday night.

Tickets will be at the grounds, and any one wishing to buy admission upon arrival at the party can do so.

The managers of the affair have done all that could be done to make the party a success and with the much talked of "war dance" is now on the knees of the gods.

The marriage of Miss Nora Frances Hardesty and Mr. Arnold Honneger of Omaha will be solemnized tonight at 7 o'clock at Grace cathedral, by the Very Rev. J. P. Dett, Rector. The cathedral is adorned with white roses.

Miss Helen Lucas, bridesmaid.

At the marriage of Miss Virginia Leach of Wamego, Miss Helen Silver of Morganville, Miss Helen Lucas, Miss Georgia Neese, Miss Lucille Kersey and Miss Gretchen Volland of Topeka.

Mrs. Dyal's gown is of light blue satin, made with pleated skirt, veiled in net embroidered with silver. The bodice is plain, with round neck, and pointed sleeves caught at the shoulder, and adorned with silver trimmings. She will carry a sheaf of pink roses and will wear a wreath of flowers in her hair.

The little flower girls will wear white frocks with pink ribbons, and will scatter the flowers in the bridal path.

The bride's gown is of white satin veiled in white Georgette crepe and trimmed with pearls. The round length skirt is made with pleats, and the long tulle veil is to be caught to the hair with strands of pearls. The slippers are of white satin with pearl buckles. Her bouquet will be a shower of lilies of the valley.

Miss Nora Frances Hardesty, whose marriage to Mr. Arnold Honneger, will take place this evening.

and palms for the ceremony. Miss Gertrude Mutton, head of the piano department at Bethany college, will play the wedding music. The Lohengrin Chorus will be played for the procession, and Miss Mutton will play the pipe organ softly during the ceremony. Miss Clara Watson, a Bethany college graduate of the June, '17 class, will sing before the service, "I Love You Truly," and "At Dawning."

The bridegroom and his best man, Mr. Fred Kraft of Chicago, will enter from the sacristy and will meet the bride in the procession in the church.

The procession will be led by the bride's sister, Mrs. Emma Dyal, who will be matron of honor. Next will march the little flower girls, Peggy Robbins, Alice Volland, Jane Kraft and Vera Hardesty, each carrying baskets of roses. They will be followed by the bride on the arm of her

brother, Mr. Lud Hardesty, who will give her in marriage.

Ten bridesmaids will enter in couples. The girls chosen are members of Miss Hardesty's graduating class at the College of the Sisters of Bethany.

Each of the bridesmaids will wear a short tulle veil and will carry a round bouquet of Russell roses and gypsophylla.

After the wedding a reception will be held at the Hardesty home at 223 East Eighth street. The house is one of the large residences of Topeka, comparatively new, and was built by the Hardesty family when they came to Topeka some six or eight years ago. The house is a two-story affair, and within the house and stairway was decorated with palms.

Baskets of pink and white roses and gypsophylla will be placed throughout the rooms. The mantels will be banked with palms and covered with baskets of flowers and ferns. The dining table, where the serving will be done, will have as a centerpiece an electric fountain with forget-me-nots and pink roses.

After the ceremony Mr. Honneger and his bride will leave for Excelsior Springs to spend a few days, and from there they will go to Omaha to look after engaging an apartment. They will then go to California and will spend the summer at the western coast resorts.

Miss Hardesty received her diploma in the spring from the College of the Sisters of Bethany. She is an attractive young girl, and was a popular member of her class.

Mr. Honneger is a young professional man of Omaha. His home is in St. Galls, Switzerland, where he grew up and received his early edu-

cation. Later he attended the Institute of Electrical and Mechanical Engineering at Milwaukee, Saxony, Kingdom of Germany, and is a graduate of that college. After finishing school he came to America, and has since lived in this country, except when he has returned abroad to visit his relatives. He was in Europe on such a journey when the war broke out, but returned soon afterward. He is taking his papers of naturalization to become an American citizen. He is now engaged in his profession in Omaha. His cousin, Mrs. Fred Kraft, and Mr. Kraft, and their four children are in Topeka for the wedding, and are his guests at the National hotel.

Announcements have been received from Mr. and Mrs. H. E. Beaubien of Colorado of the marriage of their daughter, Edith Nora, to Mr. Floyd B. Nichols of Topeka. The Beaubien family formerly lived at Maple Hill, and Mr. Beaubien was state forester. The bride is a graduate of the Kansas State Agricultural college, and this spring she received her degree of Master of Science from the Wisconsin State university.

Mr. Nichols came to Topeka from southern Kansas. He is a graduate of the Agricultural college, Manhattan, and is now associate editor of the Capper Farm Publications.

Mr. and Mrs. Nichols will make their home at 510 West Thirteenth street.

A visitor in Topeka who is being entertained at a number of parties, is Miss Norma Dolores Petro, of Hutchinson, Kansas. She is the daughter of Mr. and Mrs. E. H. Petro, and the family formerly lived in Topeka. They went to California from here, and are now making their home in Hutchinson.

Miss Petro was very well liked as a young school girl when she made her home in this city. She went from here to Los Angeles, where she was a student in the Los Angeles high school. She finished high school at Long Beach, and for her record as a student she was awarded a scholarship in Mills college.

She is interested in music and in dramatic art. She has studied music and expression for a number of years, and after finishing high school, she was appointed manager of the children's matinees at Liberty theater. She took over the entire management of the department, and did a good deal of reading before women's clubs and in public entertainments, in addition to that office.

Last year she was a student in Mills college, Oakland, Cal., which is the only college for women of first rank in the west. The course of study are similar to those at Welles-

white. Her skirt was of red taffeta, and the blouse of white Georgette embroidered in crimson. Miss Wood and Miss Lyman were both dressed in white. Miss Joanna Giesse wore a pretty frock of white organdie, with skirt and jacket bodice bordered in circular stripes of light blue.

Two young girls, Frances Hammatt and Mary Rogers, served punch in the alcove off from the reception room. The callers for the afternoon included women and girls from various sets, from members of the older crowd, to the set of young school girls.

An attractive guest from out of town was Miss Marie Waltemeyer of Boulder, Colo., who is on her way home from New York. She is visiting her cousin, Mrs. H. L. Aldre, Miss Waltemeyer was gowned in Georgette crepe of gold color, edged with bands of gold satin and embroidered with a sunburst design. Miss Marie's gown was a gown of sheer white organdie, with bolero jacket of heavy lace. Her hat was tulle with net and lace. Miss Fred Freeman wore a smart costume of oyster white khaki, with a touch of embroidery in Oriental shades.

The girls scored a success in the party, as the financial returns were good. The amount to be turned over to the Red Cross by the young hostesses is not yet determined, inasmuch as a number of people who were invited and could not attend are sending their contributions. But the amount counted up after the party was very satisfactory, and will be augmented by further gifts.

Miss Grace Powell has left on a trip east. She stopped in St. Louis, Mo., to visit Miss Jessie Young, formerly of Topeka. In Columbus, Ohio, she was the guest of Miss George Broderick, formerly Miss Miriam Young, of Topeka. She is now visiting in Marion, Ohio, and will go from there to Pittsburg, Pa., to the home of Doctor Davidson's family and Miss Helen Tillotson, who is a teacher in the high school. From Pennsylvania she will go to New York to take a summer course in the Parsons School of Applied Art. She will room with Miss Frances Powell, the daughter of Dr. and Mrs. L. M. Powell, was formerly a student in the Art Institute, Chicago.

The council of defense is presenting to the women of America some ideas on conservation in dress. They urge that the women refrain, as much as possible, from buying materials that are needed in the conduct of the war effort. The Red Cross work, in order that there may be enough for the army needs. They also advise against the buying of expensive novelties and the following list of costly dress fads:

left without decision, as it would involve a good many difficulties.

Mrs. Crawford invited members of the department to offer suggestions. Mrs. O. L. Moore asked that the women think of some economical plan for the annual president's luncheon in October. Mrs. T. P. Doran suggested that the club urge the use of corn products instead of so much wheat. Some of the members asked that the department write 1,000 representatives asking them to support the food control bill. Mrs. Hussey suggested for one meeting a debate on the relative merits and economy in home and factory food production.

The department will probably be the largest and one of the most important committees of the Woman's club in the coming year.

The Holy Name parish will have an evening party Thursday, June 28, in the yard of the parish school. The public is invited.

Mr. and Mrs. Howard and their son, Hubert, entertained the Culus club at their country place, Rosecres, last evening. A picnic supper was served in the rose pergola, after which boating and lawn games were enjoyed.

One of the lakes was christened "Lake Culture" by the club.

Those present were: Mr. and Mrs. Fred Evans, Mr. and Mrs. Louis Van Dine, Mrs. George Beach, Mrs. Frank Klingaman, Mrs. George Hunsaker, D. R. Evans, Mrs. George O. Wilmarth, Mrs. W. R. Martin, Mrs. C. J. Kosen, Mrs. W. H. Fennell, Mrs. S. Akers, Miss Belle Evans, Miss Jessie Elliott, Miss Virginia McCoy, Miss Mildred Klingaman, Miss Naomi Higby, Miss Irene Smith.

Notes and Personal Mention.

Miss Grace Heron of Chicago, will arrive Tuesday to be the guest of Miss Gertrude Reed.

Miss Sarella Herrick has returned from Manhattan, where she was a student in the college. She will be in Topeka, and will spend the summer with her mother, Mrs. R. T. Herrick.

Mr. and Mrs. D. E. Scott of St. Joseph, Mo., and Mrs. J. E. Scott of Blytheville, Mo., are guests of Mrs. C. A. Scott of Mulvane street.

Spencer Sweet Peas—1401 Jewell avenue.

Miss Genevieve Herrick has returned from Manhattan and Abilene. In her company is Miss Laura Startman.

Miss Sarella Herrick at the college, and in Abilene she attended the wedding of a school mate at K. U.

A piano recital of special interest will be given by the advanced pupils of Arthur Soderstrom at the First United Presbyterian church, Eighth and Topeka avenues, Tuesday, June 26, at 8 p. m. Among the numbers on the program is the difficult but beautiful "Pavane" by Schumann, which will be played by Miss Nannie Wilkinson. Miss Lillian Jacobson will play the "Pavane" by Schumann. A feature of the program will be the List Second Hungarian Rhapsody and an overture from Tannhauser arranged for four hands.

Mrs. Charles Joslin, soprano, and Mr. Hugh Smith, tenor, will sing, together with Miss Thelma Huston, whose readings have been popular. There is no admission charge and all music lovers of Topeka are invited to attend.

The home economics department of the Woman's club held a meeting Friday afternoon at the Chamber of Commerce, to discuss plans for programs of next season. Mrs. George M. Crawford, chairman of the department, called the meeting, and outlined some of her ideas for the year's work. She has planned to have programs on pinne millinery, dressmaking, dyeing and cooking. These programs will be conducted chiefly by local women who have discovered practical ways to do the work economically. The management of a household, which has been near her in the which she is operating successfully, will be asked to come to Topeka to explain her methods of farming. It is the purpose of the department to present to the club the best ways of doing all the work connected with a home.

Mrs. Noble Prentiss made a short address, in which she cautioned the women not to exercise too rigid economy, on account of the danger of distorting the business of the town. She thought that buying should go on as nearly normal as possible, and that women should be careful about what they buy, so as not to use in great quantities things that were needed for foreign supply near her in the which she is operating successfully, will be asked to come to Topeka to explain her methods of farming.
